

CALL FOR NOMINATIONS · GOVERNANCE BOARD

Help govern the open European standard for child digital safety

Custorian is a Danish non-profit building the Child Digital Safety and Wellbeing (CDSW) Standard: one testable, technology-neutral framework for how digital services protect children, certified only by independent, accredited third parties. We never grade our own homework. We are now seating our first independent Governance Board and welcome nominations, including self-nominations, for five voting seats.

SEATS 5 independent all voting	TERM 2 years renewable	MEETINGS 4 to 6 a year virtual, papers in advance	SERVICE Unpaid expenses reimbursed	DEADLINE Rolling open until filled
---	-------------------------------------	--	---	---

THE FIVE INDEPENDENT SEATS

Vice Chair	Deputises for the Chair, including the casting vote where the Chair is recused. Leads every decision on the founder's appointment, performance and conflicts, and holds board-level safeguarding oversight.
Treasurer	Oversees finances, budget, grant compliance and financial controls. Co-signs payments, monitors reserves and funder concentration, and presents the budget and annual accounts.
Secretary	Records Board decisions and keeps the minutes, the conflicts register, the resolutions log, the published decisions log and the Advisory Board roster.
Legal Adviser	Counsel-level oversight of contracts, licences and regulatory exposure, including review of non-template IP licensing terms.
Child Digital Safety & Wellbeing	The subject-matter anchor, so decisions are never driven by finance and law alone. Ideal for an executive who has built and scaled a child-safety organisation. Safeguarding and survivor-informed practice are required.

WHAT WE ASK OF YOU

- Attend 4 to 6 virtual Board meetings a year, with papers read in advance.
- Exercise independent judgement. A recorded dissent is a healthy Board output.
- Open doors: help bridge funding and partnership opportunities.
- Declare interests early and step out of any decision where you are conflicted.
- Complete safeguarding induction within 60 days of appointment.

WHO CAN APPLY

- Independent: in the past three years, no employment, fees, ownership or management role with Custorian, a certification body under the scheme, or a platform certified or seeking certification.
- You confirm independence in writing on appointment and each year.
- You do not need to be a member of the Association.
- Board members never take part in certification decisions.

How to apply

Tell us which seat interests you and why, with a CV or LinkedIn profile, at custorian.org/#governance. Applications are reviewed on a rolling basis. Appointment is by Board resolution, ratified at the next General Assembly, followed by a full induction within 30 days.
